

# Community Treatment and Care Service (CTACS)

Calling patients at Inveresk GP Practice

You can now access your own CTACS at Inveresk GP Practice for wound management, stitch and staple removals and B12 injections without a GP referral. Or you can visit any East Lothian CTACS that is convenient for you. Make your appointment by phoning CTACS on

**0131 446 4227**

Phone line is open Monday to Friday from  
8.30am-5.00pm
